

PROJECT BOOTUP

**We know under these unprecedented and difficult times, families struggle to keep up with growing kids and the cost of buying new boots! So...
LET'S RECYLCE!**

Most of our kids outgrow their boots and trainers before they're worn out!

Why not exchange your outgrown pair for a bigger size in just a few easy steps?

Offer up a pair to exchange or check out the reasonably priced "For Sale" section.

Why pay £30-£100 for a new pair when you can exchange, or buy from as little as £3?

We accept all brands, if they are in an acceptable condition (clean with no holes or tears!) There are so many ways to exchange too; up or down sizes; boots for trainers; trainers for rugby boots, astros for mouldies, etc.

Or you can simply donate a pair as a good deed!

To get involved, check out the exchange catalogue via updates on our Social Media platforms, contact info@llanbrynsports.org or give your outgrown pair to your coach today!

For more info or if you would like to get involved with the LBSA community group & registered charity, contact us directly on the above email address!
