Hello Wyn

With recent talks that a return to play may be on the horizon, could we please request that the annual line marking service provided by the County Council is now requested to be carried out at their soonest availability?

The LBSA has been in contact with the relevant sections of the football and rugby clubs and - as per previous years - if the County could please mark BOTH rugby and football lines, the respective clubs will then keep on top of them for the season.

Please keep us updated via this email address should there be any issues surrounding this matter and we'll ensure all parties are kept informed.
