Hello Wyn

Please could we request a slot on the Agenda for the LBSA for the first community council meeting of the year in order to further discuss the License / maintenance of the Recreation ground. We have a meeting with CAVS tomorrow; we will thereafter have more information whereby we shall get something in writing to you prior to the meeting on 11/01/2021.

Emyr

The agenda and papers for the meeting on the 11 January have been printed before I received the "E" Mail. I have had to do my own printing since March 2020 and therefore papers etc have to be prepared slightly earlier than normal. The time available for a contribution from the Sports Association would be in the 10 minutes slot for public participation.

Regards

Wyn
