Good afternoon Wyn / Gary

As we are approaching the new season, could we please get confirmation from the council on the following regarding the park field please.

- Date that users will be allowed to start training on there.
- Confirmation of county council marking both rugby and football lines.
- Directive to clubs on the type of paint allowed for marking lines.
- Confirmation of the date that the last games of the season will be allowed to be played on there so that clubs can plan fixtures accordingly.

We will happily inform all users of the above information upon receipt.

Regards
Em
