The Community Council will not be considering any further application for grants until the next financial year, 2020/21. An advertisement will appear in the Llanelli Star in the Autumn setting the closing date for applications and each application will have to be supported by the latest financial set of accounts for that organisation.

Regards

Wyn

Wyn,

Thank you for this valued information, duly noted. Out of interest - and for an idea in future - could you just confirm what the deadline date was for this year's (2019/2020) application process, please?
