Dear Sir

I write to you on behalf of the community group *Llangennech and Bryn Sports Association (LBSA)*. We are situated in Carmarthenshire, Wales and are currently pursuing funding opportunities to subsidise some grassroots sports facilities within our community. We are currently exploring a partnership agreement with a local private school establishment within the boundaries of the community in order to look at installing a 3G pitch to replace their current playing field, which will subsequently be used by the community. I write to you in order to further look at the requirements from our end to enquire about your services with regard to installing such a facility.

This LBSA is newly formed organisation and very much in its infancy. We have most recently established an interest from both parties to explore the possibilities and your website has been advised as a good start point with regard to information for future action.

If there is any further correspondence that you could furnish us with that we could bring to the attention of the directors and land owners of the property then it would be of great assistance in moving forward with our project.

Thank you, we look forward to hearing from you.

Regards

Mr. Emyr Williams

Acting Chairman

LBSA
