Emyr

I refer to your "E" Mail of the 17 January 2022 and in the first instance I wish to extend the Council's gratitude to you for your work to date on the tennis court project.

I note from your "E" Mail that the latest quotation received for the project is £63526.96 plus VAT compared to £43272.55 in 2019. This is as you state an increase of 47% and in cash terms is £20254.41 plus VAT. I accept your point that this is a quotation from one contractor but as you state you would expect a similar increase from the other contractor who quoted in 2019.

The VAT element would not be recoverable if payments were made through the Community Council accounts and therefore the total cost to finance would be approximately £76000.

In your discussions with the Council at its meeting held on the 11 January 2022 you estimated that the grant sum likely from the FAW would be £25000 to £30000. This would leave a balance of funding requirement of at least £46000. The Council does not have this amount of funding available at the present time nor likely to have it in the next financial year.

I agree with your conclusion that the sensible option is to abandon the FAW phase 2 application which had a deadline of the 27 January 2022 and was unlikely to contribute £60000 plus to the project.

I also agree with your statement that the process had been a worthwhile exercise.

The Surveyor has sent you an "E" Mail on the 18 January 2022 and I fully agree and support the content of that "E" Mail.

Regards

Wyn

Its a great shame Emyr that the costings have gone up so much. It takes a lot of effort to put a grant application together and is very disappointing when it becomes untenable.

I don't suppose it would be worth doing half a job?

Perhaps the plan can be revisited in the next year or two to see if it is a runner then.

cheers Marian

I would like to thank Emyr for all the work he has done. It is disappointing that the costings have increased so much. Hopefully things can progress some time in the future.

Best wishes

Lynda

Thank you Emyr for all your hard work. This project was a fab idea and it's so disappointing that the costs have spiralled as much as they have.

Hope we can sort things out for the future.

Nikki

Hi all

Thank you for the encouraging words of support on this. As per Wyn's summary email, having looked into things since the meeting, we shall not be pursuing this particular FAW application source for various reasons, but what this has done is opened up some other opportunities for us. So please rest-assured that this is very much the start of things on this particular project as far as the LBSA is concerned, not the end. Further to this, I do believe that Alan had suggested we await the outcome of the February finance meeting before we reported back to the council on the outcome and a way forward with it.

I can confirm that I have already made contact with a couple of sources, which we shall include the details of in the full report when things are further along. I may also have the opportunity to discuss an alternative approach to propose in due course, but this is in the very early stages of discussion.

If I may borrow the motto of Llangennech's Football Club - we will continue to *Brwydro Nid Plygu (Fight Not Fold)*!

Thank you

Em

Emyr,

A oes unrhyw siawns bod cwmni arall ar gael fyddde yn gallu gwneud y gwaith atgyweirio ar y cwrt tenis yn rhatach? Rwyn dal i edrych mewn i grantiau posib - pe bae grant ar gael, a fyddde hyn yn caniatáu y gwaith i fynd yn ei flaen? Diolch
Gwyneth.

Helo Gwyneth

Es i yn ol at 2 cwmni wnaeth rhoi quote i ni yn 2019 i gymharu faint mae'r pris wedi codi ers, petai nhw gwneud yr rhin gwaith.

Dim ond un sydd wedi ymateb on os bydden yn cymryd codiad % hynnu fel engrhaifft bydden dal yn edrych at bron £69k felly dal allan o budget yn anffodus.

Emyr
