Emyr,

Rwy'n siomedig i roi gwybod na fydd y Cwmni Walters yn gallu helpu i wneud unrhyw welliannau ar ran y LBSA fel yr awgrymwyd ganddynt yn flaenorol - gweler yr e - bost isod. Byddaf yn cysylltu gyda'r Cwmni i ddatgan ein siom. Gwyneth.

Subject: Community Benefits - Upgrade to M4 Junction 48

Hello Cllr Thomas,

I've been in discussion with Walters for the last couple of weeks regarding the proposals that Llangennech School and the Sports association put forward for consideration for community benefits via the J48 upgrade and have received definitive answer from them Walters about the feasibility of completing the works requested.

Unfortunately, due to the resources that Walters have already committed to community benefits in the community around Hendy and Llanedi they don't feel that they have the time, materials or manpower to carry out any further community projects between now and the end of the J48 upgrade in December.

Obviously this is not the outcome that we were hoping for, however having discussed the options with the project manager I can understand that they have limited capacity remaining to take on further projects currently.

They are planning on letting me know if the situation changes at all and if any spare capacity is freed up, however that is unlikely under the current circumstances.

Best regards,

Elliott Boyd

Community Benefits Officer/Swyddog Budd I'r Gymuned
