Hi there

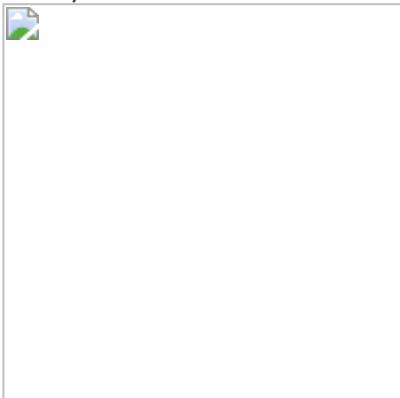

I contact you on behalf of the Llangennech and Bryn Sports Association. We are currently in talks with the community council with a view to seeking funding for a revamp of the local park to include a MUGA. This involves a plan to move the playground and install a MUGA in the area.

We envisage the MUGA would be approx 42mx30m. Please see attached a rough idea and aerial view of what we are looking to propose to the council. We are essentially looking at costs and a design plan for the proposal. If you would kindly get in touch then I'm happy to discuss this further or answer any questions you may have initially.
