Thank you for your application to our Community Fund. We have been overwhelmed to see so many groups apply to The Fund and can see that a lot of work went in to each and every application.

Our Panel has carefully considered your application and I'm sorry to inform you that you haven't been successful on this occasion as the application did not meet our criteria.

We can look to fund equipment once you are set up.

Thank you again for taking the time to apply to the Fund, we wish you well with your project.

Thank you,

Many Thanks

Community Fund Team
