Subject: Re: Penderi Solar Farm - Unilateral Undertaking [BURGES-WORK.FID9971007]

Mark

I thank you for your "E" Mail and await a response.

I attach a copy of a draft document I received recently from Neath and Port Talbot Council for your perusal. There are interesting facts and figures in the document which would justify the claim that the offer from the Blaenhiraeth Solar Panel Developers in respect of Community Benefit is too low.

Regards

Wyn
