Hi Wyn,

Further to the note in the November meeting minutes, with point 4 ii) referencing the council awaiting correspondence from the LBSA regarding the "Tennis Court", please accept our apologies for the small delay since (aside from the absence of council meetings Jul-Oct) we have focused our energy on the return to use of Pavilion changing rooms, potential Walters community benefits, etc.

Since we attended your meeting (12/10/21) I can confirm that an Expression of Interest has been raised by the LBSA with the FAW Grassroots Facilities Fund, which helps fund such projects. We submitted the application prior to the December 2nd deadline and are awaiting a panel review and feedback with regard to the next stage.

We hope to have some feedback and be in attendance for the January meeting.
