Thank you for your application for registration for **5133367 LLANGENNECH AND BRYN SPORTS ASSOCIATION**. We are contacting you to let you know the next steps.

Your application

We have been unable to make an early registration decision about your application and would like to apologise for the delays experienced.

We initially assess each application within 48 hours of receipt. We were unable to make an early decision on your application and it will need to be reviewed by a specialist caseworker. As we are experiencing a high number of applications, significant delays are occurring before a specialist worker can be assigned to your case.

Next steps

Your application is waiting to be placed with one of our specialist registration team who will consider it in more depth. They will contact you to request more details if required, or to confirm our decision once they are in a position to do so.

As a guideline, our team are currently working on applications in this category which were initially assessed in **July 2018**.

Please accept our apologies for the delays this will incur. We are working to address this situation, but this will unfortunately take time.

If there is a particular urgency with your application, for example if vulnerable adults, children or significant charitable funds are at risk through delay, please provide written evidence to support any request for priority handling to the following email address: registrationapplications@charitycommission.gsi.gov.uk. This may mean we can deal with your application sooner but is not a guarantee.

We understand the importance of keeping our customers informed about progress with their applications. We will therefore update you every month (from the middle of next month) until your application is placed with one of our team. These updates will be important to enable you to keep track of the progress with your application. However, should you choose not to receive such updates please notify us via the email address (above). Please note that we are not able to provide individual updates to all of our customers due to our stretched resources.

Yours sincerely

The Registration Team
