Dear Wyn,

Further to the recent planning application regarding the potential development at Gwaelod Y Maes by Haywood Homes (for 30 houses designated on 1.59 hectares off Pontarddulais Road), the LBSA would like to register an interest in seeing some of the s.106 funding that may become available invested in the Recreation Ground infrastructure, to include potential investment in the playground and general improvements for the benefit of the community.

As was stated at the meeting, the LBSA also supports improved security measures at the ground, in line with that suggested by Llangennech Cricket Club's recent letter.

We would also like to request a place on the agenda for the next community council meeting in order to update the councillors on LBSA developments.

Best Regards

Daniel Price  
LBSA Secretary
