Dear Emyr,

Thank you for your recent Stage 1 application to People's Postcode Trust.

We appreciate the time, effort and enthusiasm which has gone into your application.

After much deliberation on this occasion your application was unsuccessful.

We receive a high number of applications for our grants and whilst we would love to support all groups, it is unfortunately not possible with the funds available.

If you have any specific questions or a request for feedback, please reply to this email and we will aim to respond within 6 weeks.

You are of course welcome to reapply for funding in the future. For more information on our funding, please see www.postcodetrust.org.uk

We would like to thank you for your interest in People's Postcode Trust.

Kind regards,

Administration Team
