Dear Councillor,

I discussed the possibility of calling a Council Meeting prior to the next scheduled meeting of the Council with the Chair yesterday and we concluded that if an urgent issue arose that required consideration then a special meeting will be called to discuss that issue. At present it is felt that there is no urgent issue that requires the attention of the Council and therefore the next scheduled meeting of the Council will be on the 11 October 2021.

It is likely that a meeting of the sub committee dealing with the Independent Staffing Review will need to take place prior to next meeting of the Council to consider a draft report by Paul Egan who is carrying out the review.

Any meeting of the Council will have to follow proper notice of meeting rules.

Yours Sincerely

E W Evans

Clerk
