Hi Wyn

Do you have any update with regard to the usage of the pavilion toilets that we can communicate to the clubs please? We know that both rugby and football clubs will now be entering phase 2 of the return to play and we anticipate increased physical contact and numbers. The guidelines impress that access to hand washing facilities is key to holding a safe session. Hence we are keen to find out if there is a plan in place by the council on opening the facility, even for limited access. We understand the cricket club also have portaloos on hire for their upcoming program.

Any update that we can feedback would be appreciated.

Regards
Emyr

Emyr

We are waiting for water test results at present. Water testing took place over a week ago.

We will address the procedure for opening the pavilion facilities thereafter.

Wyn
