Hi Wyn

I hope all is well. May I request that the LBSA arrange a meeting with the elected sub-committee regarding the developments on the Cae Pownd proposal.

If it is suitable then we would like to meet at Llangennech Rugby Social Club at 6pm on Monday June 17th? Please advise if you'd prefer that we contact any councillors directly.

Thank you  
Daniel Price  
Secretary  
LBSA

Daniel

I cannot arrange a meeting at such short notice and in any case there is a sub-committee meeting arranged for Tuesday, 18 June for another reason.

I need specific details on the developments for the Cae Pownd proposal that you mention so that I can circulate members in advance.

The Community Council met last Monday, 10 June 2019, and the next meeting of the Council will be on the 8 July 2019.

Regards

Wyn Evans

Daniel

I respond further to my "E" mail of yesterday and refer you to the Community Council Meeting held on the 10 December 2018 when members of the Sports Association were present namely P Willock, E Evans and M Williams to discuss proposals for greater use of Cae Pownd.

It was agreed at that meeting that a Sub - Group be created and that the Community Council representative on that Sub - Group would be Councillor I M Williams.

The remit for that Sub - Group was to produce a detailed report for Council consideration setting out specific details of the proposal with costings, both capital and revenue and other issues including car parking.

No report has been received to date.

Regards

Wyn Evans
