Dear Wyn

I understand that the Community Council's annual grant funding application process for local organisations is currently open. We - as an established charity and active community interest organisation - would therefore like to exercise our right to apply.

Please take this letter as our submission of application to be considered for any available funding. As you will be aware, we continue to work toward raising funding in order to establish development projects in order to improve and increase use of community spaces. 2020, as for everyone, has been a particularly difficult year for the Charity as we have been unable to hold a number of planned fundraising events in order to help fund and progress projects at Cae Pown and at Llangennech Park.

I attach the annual accounts and a statement with the Charity's current balance. You will clearly note there have been no transactions in this financial year due to the aforementioned reason.

Please contact us via our email address ([info@llanbrynsports.org](mailto:info@llanbrynsports.org)) should you have any issues with our application or require any more information.

Regards

Daniel Price
